## Weekly Sermon Study Guide

**SERMON SERIES:** Faith > Fear

**SERMON TITLE:** Jesus Heals

**SCRIPTURE:** Mark 5:21-43

**DATE PREACHED:** March 29, 2020

### WEEKLY CHECK-IN:

Last week we ended our discussion talking about gratitude. What is something that you are thankful for right now?

Also, as a part of catching up on each other's week, this would be a good time to gather everyone's prayer requests and praises. This allows for everyone to share about their life and you can use this to guide your prayer at the end of the discussion.

### DISCUSSION STARTER:

If you could ask Jesus for one thing and you knew for certain he would give it, what would you ask him?

### DISCUSSION:

Read the scripture text as a group. If you were unable to worship with us on Sunday, you can watch this week's sermon at [my.worthingtoncc.org/listen](http://my.worthingtoncc.org/listen).

1. What in this week's scripture was most interesting?
2. Jairus fell at Jesus' feet and pleaded with him. What is something you really need to pray for right now and how would you like Jesus to respond?
3. Think about these words from the account of the bleeding woman. "If I just touch his clothes, I will be healed... Daughter, your faith has healed you. Go in peace." How does proximity to Jesus build our faith? How would you like to grow closer to Jesus?
4. There are two similar healing accounts in this passage. What are the similarities between the two events?
5. Jesus said, "Don't be afraid; just believe." Why do you think he said that? In what way is Jesus saying those words to you?
6. What can we learn about God from this week's scripture?
7. What can we learn about people from this week's scripture?

### MY NEXT STEP:

Jesus calls us to move from fear to faith. What causes you to be fearful? How can you move towards faith?

### PRAYER:

A core value of our church is 'Urgent Prayer.' Please be sure to include prayer in your group meetings.
